

INTEGRITY

*A mirror reflects what stands before it, without distortion or bias or duplicity.
Integrity is represented in its true reflection.*

NPA Understanding:

- Ethical conduct ● High moral standards ● Honesty
 - Moral principles and values
 - Truthful ● Beyond reproach

Oxford Definition: Integrity

- The quality of acting with integrity
- Honesty, truth, honour, reliability, uprightness, veracity
 - The possession of firm or high moral principles and/or professional standards
- Completeness – the state of being complete or undivided
