

# Progress Towards Gender Based Prevention Model for South Africa

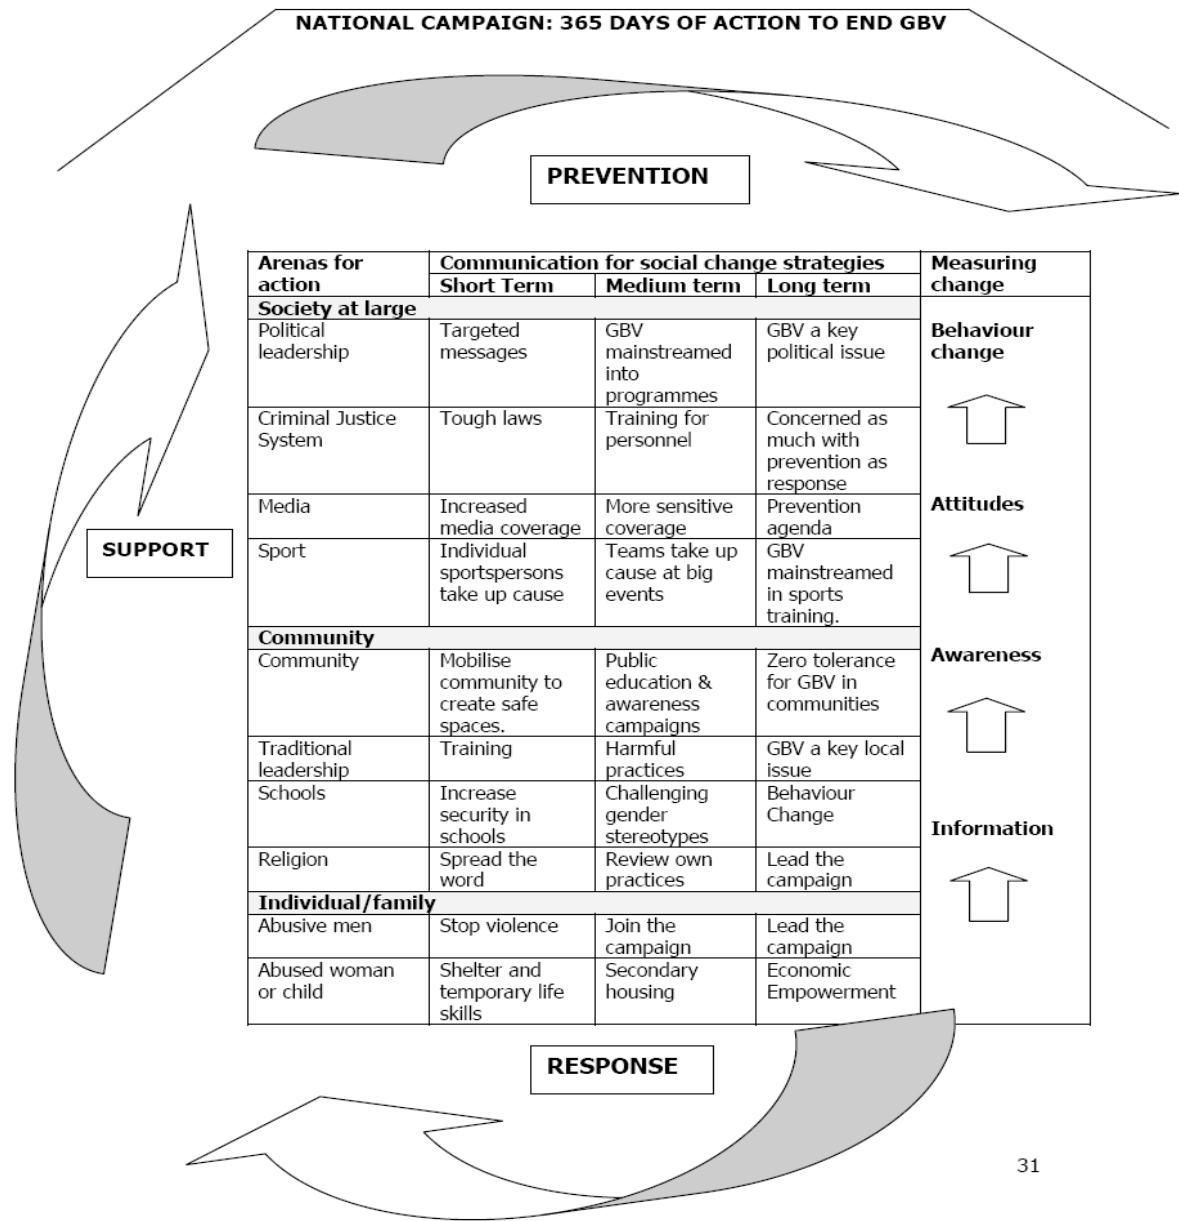

Rabbuh Raletsemo  
Prevention Manager, PMU

# Context...

- Initiatives across the country
- Fragmented
- Inadequate funding
- Sporadic or no Monitoring & Evaluation

**Figure four: GBV Prevention Model for SA**

# Progress to date...

- Programme Management Unit:
  1. Prevention
  2. Response
  3. Monitoring and Evaluation
  4. Support
  5. Coordination
- IDMT Sufficiently staffed to coordinate, monitor, leverage and disseminate resources to prevent & respond to GBV

# Current activities

- Implementation of identified best-practises initiatives in selected sites nationally (NGOs)
- Public awareness & education workshops (PAS)
- IEC materials
- Engaging media (Round Table)
- Boys & Girls role models and peer educators (GEM & BEM)
- Community mobilisation for NAP activities
- Stakeholders coordination

# Wayforward...

- Adoption of the model
- Periodic Review IDMT
- Review, update, & distribute 365 days calendar of activities
- Benchmarking and performance review of intersectoral teams

# Call to action....

- We will strengthen and place far greater emphasis on prevention through forging effective partnerships with all stakeholders, including schools, parents associations, community based organisations, the media, local government, traditional and religious leaders and the private sector; as well as develop criteria for monitoring the effectiveness of such campaigns” - Kopanong Declaration, 365 Days of Action to End Gender Violence, May 2006
