

UPDATE ON ASPIRANT PROSECUTOR PROGRAMME 2022 INTAKE
ISSUE 4: 11 AUGUST 2021

Dear Applicants

Please note that the venues for the exams are published on the NPA website.

The examinations are scheduled for 3 hours, 09h00 – 12h00 on Monday 16 August. You are required to arrive at the exam venue by 07h30, to give enough time for all the relevant screening processes to be completed. Please bring your SA Identity Document (ID) or any other official form of identification with your picture; you will not be allowed into the exam venue without the relevant identification.

You will need a pencil to complete the answer sheet (and an eraser in case you make a mistake). No pens are allowed. You may write the exams at a venue convenient to you; it may not necessarily be the centre / cluster to which you have applied. You will be required to indicate clearly the centre to which you applied on the answer sheet.
